

Who did Olivin meet
on his walks
through nature? **Fish**

Abacadabra Alakazam, no need
to be wary for out of leaves,
twigs, seed pods, quinoa, black
lentils, split peas, black seeds and
a small pebble appears a Fairy.

Ff

Here are some more of Olivin's discoveries beginning with the letter F. You can try to create your own picture of them.

Family, Father, Flower, Foot, Forest, Friend

Have you heard of the following words? You may not necessarily be able to hold or see these things, they are words for you to think more about and perhaps talk to your parents about.

Fantasy, Fast, Favourite

Fairy
